

REMARKS

Applicants provide this Supplemental Amendment in response to the Office Action mailed December 3, 2003. Applicants inadvertently failed to indicate that claims 1-21 had been cancelled in the Amendment mailed January 5, 2004.

Applicants believe that no extension of time or fee is required by this Supplemental Amendment. However, Applicants have made a provisional request for an extension of time and have authorized the Commissioner to charge our deposit account on the accompanying transmittal should an extension be necessary.

Applicants believe that the claims now include a complete listing, include the text of all of the claims, and have proper status identifiers.

Respectfully submitted,
